CENTRAL SIERRA SOUTH NARCOTICS ANONYMOUS PUBLIC RELATIONS GUIDELINES

What We Do and What We Don't Do in Public Relations

When we act on our own in public relations we can lose the spirit of humility inherent in a "we" program. The damage that can be done to NA's reputation by individuals acting on their own can take a long time to repair. Being of service in PR we get a glimpse of humility every time a newcomer walks through the door of an NA meeting. We can then recognize the spiritual aim of the fellowship and our own place within it. We are grateful to be able to carry the message of recovery and can acknowledge the actions of a power greater than ourselves.

We Do:

- Follow our traditions, public relations plans, and guidelines.
- Be consistent. We follow through on our plans of action.
- Consult with members experienced in PR work before contacting the media.
- Stress our common welfare and the importance of unity.
- Stress that the only requirement for membership is the desire to stop using.
- Make directories of outside meetings available to clients/inmates.
- Start and end on time.
- Obey all dress codes and exercise common sense.
- Keep the staff aware of your whereabouts at all times.
- Stamp all literature you bring into a facility with the local help line number and Area PR address.

We Don't:

- Do it by yourself.
- Take a stand on any controversial issues.
- Break another persons anonymity.
- Debate which drugs are acceptable. NA is a program of complete abstinence from all drugs.
- Discuss conditions within the facility or opinions about staff members.
- Carry excessive cash or expensive flashy jewelry.
- Show favoritism to any inmate or client.
- Give anyone your personal address or phone number.
